

TYPICAL DAILY ACTIVITIES OF A LIVE-IN CARER

Mobility

Cooking

Cleaning

Laundry

Shopping

Bathing

From day one, the carers become companions, engaging in conversations, reminiscence and other activities that will give the sense of familiarity and inclusion, which in turn prevents the feelings of loneliness or depression.

Care-Staff Solutions

www.domonor.com

We are a team of ordinary people doing extraordinary things

Domonor provides staffing solutions in the care sector. We build bridges between well-qualified and experienced care workers and live-in care providers.

PRIVILEGE TO IMPROVE THE LIVES OF OTHERS

What makes a good live-in carer?

Live-in carers are a special type of person, **selfless, kind and empathetic**. Here are just some of the traits that successful carers naturally share:

- Positive
- Patient
- Tolerant
- Nonjudgmental
- Compassionate
- Professional

Carers are motivated by improving the lives of others. Enabling individuals by supporting them to live in their own homes while maintaining their independence is a gratifying experience.
